

**5. FOOD STANDS IN THE PUBLIC PLACE - CITY MALL -
OXFORD TERRACE**

RR 10549

The Committee received a report from the Principal Environmental Health Officer in respect of permitting the setting up and operation of food stands in the public place area of City Mall and along Oxford Terrace, whether associated with currently established café/bar operations with licences to occupy the road or otherwise.

The Committee **decided:**

1. That in the interim, where businesses are licensed to occupy roads for the purpose of providing tables and chairs for dining, no food stands shall be permitted for serving either the customers or persons outside the area.
2. That a seminar be held on 22 September 1999 to discuss options for Oxford Terrace and City Mall trading in public places, such discussion to include all relevant bylaws, Council decisions and liquor licensing issues.
3. That a review of the Christchurch City Council policy on trading in public places be held in December 1999.
