

6. PARKS CAPITAL WORKS PROGRAMME 1998/99

RR 10495

Details of the end of year position in respect of Parks Capital Projects undertaken in the Board's area during 1998/99 was **received**.

Information was also requested on the likely number of new and replacement trees to be planted in public areas throughout Fendalton/Waimairi this year. The idea of the Board setting a target number as part of its annual objectives was supported.
