

## **18. AVEBURY HOUSE – RESEARCH OUTCOMES**

The Board considered a report outlining recommendations for the future use of Avebury House.

The Board **resolved:**

1. To support the preferred option (Option 4) recommended by the Avebury House Research Project for the use of Avebury House as a general community resource with developmental goals, a management group (representing broad community interests) and an on-site worker.
2. That the Board pass on this recommendation to the Projects and Property Committee.
3. That this report be referred to the Shirley/Papanui and Burwood/Pegasus Community Boards for consideration and involvement in the selection of future tenants and management structure.
4. That Sue Dewe be thanked for the research work done on this project.
