

7. COMMUNITY ADVOCATE'S UPDATE

7.1 GREEN OPEN SPACE SEMINAR

It was reported to the Board that a seminar on Green Open Space in the Hagley/Ferrymead area had been conducted on 11 August 1999. A full report on this matter was to be presented to the October meeting of the Board.

The Board **received** the information.

7.2 BOARD TOUR

A tour of inspection of works in the Hagley/Ferrymead area was planned for Wednesday 8 September 1999, leaving at 3.00pm.

The Board **received** the information.

7.3. COMPUTER COURSES

Computer courses were to be arranged for Board members.

The Board **received** the information.

7.4 LINWOOD AVENUE CYCLEWAY MEETING

The subcommittee of the Chairman, Community Advocate, Police and residents was to meet on 2 September 1999 to discuss issues raised by a resident concerned that the cycleway parallel to Linwood Avenue was providing an access route for burglars in the area.

The Board **received** the information.

7.5 COMMUNITY BOARD SUBCOMMITTEES

The Board considered whether there was value in establishing specific subcommittees to deal with relevant issues. The Board noted that some other Community Boards have adopted this practice.

The Board **appointed** a subcommittee of the Chairman, Linda Rutland and Aaron O'Brien to meet with the Community Advocate to assess the benefits of establishing specialised subcommittees.

7.6. FUTURE SEMINARS OF COMMUNITY BOARD

The Board considered topics proposed for Community Board seminar meetings.

The Board **received** the information.

7.7 TRAFINZ CONFERENCE

The Board considered a report provided by Derek McCullough on the TRAFINZ Conference attended by himself and the Area Engineer and reported verbally to the Board on this conference.

The Board **decided:**

1. To set up a working party of Derek McCullough and the Area Engineer to explore ways to further the ideas promoted at the TRAFINZ Conference and to inform all Board members of the meetings of this working party so that they can attend if able to do so.
2. To ask Derek McCullough to attend the Improving Health and Energy Efficiency Seminars to be held in Christchurch on 13 September 1999.
3. To thank Derek McCullough for attending the TRAFINZ Conference on behalf of the Board.
