##### **Structures on Legal Road Along 44 Kinsey Terrace**

- Timber parking bay.
- Timber ramp onto the garage.

The surplus portion of the legal road is a steep bank below the roadway. The land is unlikely to be used for any minor improvement to the roadway and accordingly it is recommended that this portion of the roadway be stopped and disposed of.

**Recommendation:** That the strip of surplus roading land as indicated on Plan 1 be disposed of by way of sale to the adjoining land owner.
