

11. LEISURE STRATEGY - OUTLINE AND PROCESS

RR 10607

The Leisure Manager reported, outlining the structure and process for developing the events/festivals and recreation and sport streams of the Leisure Strategy. The report recommended that two steering groups of professionals be appointed to oversee and advise on the processes for developing the events and recreation and sports streams of the strategy.

The Committee **decided**:

1. That the process to prepare the overall Leisure Strategy including the Events and Recreation and Sport components of it be approved.
2. That Councillor Austin be appointed as the Parks and Recreation Committee's representative on the Events Strategy Steering Group.
3. That Councillor Condon be appointed as the Parks and Recreation Committee's representative on the Recreation and Sport Strategy Steering Group.
