

13. CHRISTCHURCH SOUTHERN ARTERIAL – REPORTS

The Board **decided** to seek all reports pertaining to the Southern Arterial, to enable a clearer understanding of the consideration and process of this important issue.

At the 24 June meeting of the Council it was resolved that the City Plan Hearings Committee recommendation for the withdrawing of the designation lie upon the table. Also, the City Services Committee was to convene a seminar session on this issue. Members sought full information on this, to be provided to a subsequent meeting of the Community Board.
