

**15. PAPANUI TRAFFIC SAFETY GROUP  
- SAFETY AWARENESS CAMPAIGN**

A request for funding assistance towards a Safety Awareness Campaign to be run by the Police during the week 18 – 31 October 1999 was reported by the Community Secretary. The Board **resolved** to allocate \$300 from its 1999/2000 Discretionary Funding towards the cost of the Safety Awareness Campaign being run by the Papanui Traffic Safety Group, and to encourage the Police to use the Board's 'Community Safety' cards during the campaign.

(Robin Booth asked that his vote be recorded against the above resolution.)
