

## 8. PROPOSED RESERVE PURCHASE – SMACKS CREEK

A report by the Property Services Officer considering the acquisition of land adjoining Smacks Creek for the purpose of protecting and enhancing the waterway and ultimately to provide a walkway link, was referred for comment. It was to be considered by the Parks and Recreation Committee for its recommendation to the Council.

Planning and landscape staff attended to explain the proposal and plans were displayed.

The Board **decided** to support the proposal and commented that the proposed reserve would enhance some of the developments in the area.
