

21. COMMUNITY AFFAIRS COMMITTEE

The Board considered the minutes of the Community Affairs Committee meeting held on 17 August 1999.

Stephanie Humphries addressed the Board in regard to item 8 of the minutes of 17 August 1999. Stephanie has carried out considerable work in terms of educating people and promoting the history of the Styx River, and would like to link a bus tour of the Heathcote River in with the proposed display at the Beckenham Service Centre for Heritage Week.

The Board **resolved** that:

1. The recommendations of the Community Affairs Committee meeting held on 17 August 1999 be adopted.
2. An educational bus tour of the Heathcote River, organised by Stephanie Humphries, be incorporated in the Board's Heritage Week project.
