At its 3 August 1999 meeting the Spreydon-Heathcote Community Board considered information following public consultation regarding landscape enhancement and the naming of Ernlea Reserve.

Additional historical information has now come to light which (inter alia) indicates that the present name should be spelt as “Ernle”, and in view of this, at its meeting of 26 August 1999 Council resolved that recommendation 3 of the Board’s report be referred back to the Board for further consideration.

Recommendation: That the historical information be provided to residents, suggesting renaming the reserve to “Ernle Clark Reserve”.
