

5. NEIGHBOURHOOD IMPROVEMENT WORKS

RR 10637

The Board considered a report informing it of the new system for prioritising local neighbourhood improvement works in the capital works programme, together with a priorities list within the Spreydon-Heathcote wards.

The Board **decided** to recommend to the City Services Committee that (as a three year objective) all money programmed for neighbourhood improvement works in the Spreydon-Heathcote wards, instead be used for enforcement of existing traffic and parking restrictions in those wards.
