

**14. PROPOSAL FOR PUBLIC CONSULTATION
- ST MARTINS LIBRARY BUILDING PROJECT**

RR 10297

The Board considered a report briefing it on a process for consulting with the community on the services to be delivered from the proposed St Martins Community Library.

The Board **resolved** that consultation on the St Martins Library Building Project be undertaken on the following basis:

1. The St Martins community be consulted on the shaping of the library service to be delivered from the new St Martins Community Library.
2. The consultation process be conducted using focus groups, questionnaires, talking to people individually and formal and informal meetings.
3. The St Martins Voluntary Library Committee be involved in the planning process from the beginning.
4. The consultation process be commenced in February 2000, subject to the siting of the library being known at that time.
5. The community be regularly updated on progress.
