

16. PROPOSED EXCHANGE – SHORTLAND STREET RESERVE

The Parks Planning Team Leader, Parks Planner and Property Services Officer requested Board comments on the proposed exchange of the Shortland Street Reserve for an adjoining site in Wainoni Road. This would provide an enlarged reserve and remove an environmental hazard and a non-conforming use from the area. The Board **decided** to advise the Parks and Recreation Committee that the Board:

1. Supported in principle the development of the reserve in Wainoni Road.
2. Also supported the proposed land exchange as outlined in the tabled plan 97845.
