

11. DEPUTATIONS BY APPOINTMENT

(b) STYX SUBDIVISION

Mr Brian Thompson and Mr Robin Hughes spoke on the company's project at the Styx Subdivision in Belfast and in particular the traffic island feature proposed for the entranceway to this new residential subdivision.

A copy of the plans and background for the feature for the subdivision was distributed to members and the opportunity was taken for members to ask questions concerning the proposal in relation to maintenance and possible leaf problems from the poplar trees.

The submission from Messrs Thompson and Hughes was considered in association with clause 8 of the agenda.
