

## 8. GENERAL CITY DEVELOPMENT, PLANNING AND ENVIRONMENTAL ISSUES

A report from the Environmental Policy and Planning Manager updated members on current environmental and city planning and development issues affecting the city:

- Heritage Update Report
- Christchurch City Trends – Central City Commercial Floorspace

The Committee **resolved** to record its appreciation of the Council team and design group involved with the conservation and restoration of Bellamys Wing of the Canterbury Provincial Council building.

The holding of one of the Committee's monthly meetings at this venue is to be investigated.
