

17. ARBOR DAY PROGRAMMES

Further to a joint report from the Education Co-ordinator and the Environmental Promotion Officer, the Board **resolved** that a sum of \$2,000 be made available from its 2000/01 discretionary funds towards local Arbor Day programmes with expenditure committed to be to the level of responses received from local schools.

Additionally, it was also **decided** that the opportunity be taken to share the initiative with the North West Cluster Principals at a meeting on 30 March.
