

## 2. PETITIONS

### 2.2 AIKMANS ROAD

A petition from 27 residents in Aikmans Road (between Akela and Stirling Streets) sought the introduction of a time limit parking restriction to address safety concerns associated with the lack of visibility for drivers exiting their properties and also to control the extent of on-street parking occurring due to the presence of the nearby Merivale Mall.

The Board **resolved** to receive the petitions and for the matters raised to be referred to the Area Engineer for consideration and for reporting back to the Board.
