

## **23. ADVERTISING SIGN –SALE OF PARAGLIDING FLIGHTS - SUMNER**

The Board considered a report outlining an application for the renewal of permission to erect a sandwich board sign advertising paragliding flights at Sumner.

The Board **resolved:**

1. That the Board write to the applicant giving a conditional extension of his licence for a further three month period and advising that non-compliance with the conditions for the use of this site will result in the licence not being further renewed.
2. That the on-going availability of this site beyond this three months extension will be conditional upon the Council approving this as a stall site and upon his being the successful tenderer for this site when it is put up for public tender.
