17.6 ENGLEFIELD HISTORIC ENCLAVE

The Board considered a letter received from Mrs Frances L Ryman on behalf of the Englefield Historic Enclave, inviting Board members to undertake an historic walk of Hanmer Street, Elm Grove, Avonside Drive and Fitzgerald Avenue, during the course of which Mrs Ryman would outline the historical research she had done about the area.

The Board **resolved** that the Chairman and the Community Advocate hold discussions with the Englefield Residents' Association to try to reach an understanding of the objectives of both of the groups with an interest in the Englefield area.
