

17. CORRESPONDENCE

17.3 LETTER FROM THE NEW ZEALAND COMMUNITY BOARD CONFERENCE LIAISON TEAM

The Board considered a letter from the New Zealand Community Board Conference Liaison Team seeking an expression of opinion on whether two subjects should be put forward for discussion at the National Community Boards Conference in Invercargill in the year 2001.

The two subjects for consideration were:

1. The desirability of elected members holding both Councillor and Community Board status at the same time.
2. The issue of elected Community Board members not being required to live in the area to which they have been elected and whether this was a matter of concern.

The Board **resolved:**

1. That the question of the desirability of elected members holding both Councillor and Community Board status at the same time should be a topic for discussion at the next conference.
2. That the issue of elected members being required to live in the area in which they have been elected was not a matter of concern to this Board.
