17.2 LINWOOD TENNIS CLUB INC

The Board considered a letter seeking funding of \$531 towards the cost of the annual commercial rental payable to the Council by the Linwood Avenue Tennis Club.

The Board **resolved:**

1. That, because of the public recreational service being provided by the Linwood Avenue Tennis Club, the Board request the Parks and Property Units to waive the rental on the Linwood Avenue tennis courts.
2. That a more detailed report be sought on this matter including details of membership numbers, rental cost and the possibility of rental being payable only on the land occupied by the clubroom.
3. That the possibility of meeting the Tennis Club to discuss its concerns be explored.
