

20. RICHMOND HILL ROAD – STREET TREE REMOVAL

The Board considered a report seeking its recommendation to the City Services Committee that the plane trees in Richmond Hill Road be removed and replaced.

The Board **resolved** to recommend to the City Services Committee that all 15 of the existing plane trees in Richmond Hill Road and Nayland Street (from Wakefield Avenue to Marriner Street) be removed and replaced with a suitable smaller growing species.

John Freeman requested that his vote against this resolution be recorded.
