

**10. HALSWELL QUARRY MANAGER'S HOUSE, KENNEDY'S BUSH ROAD**

The Board was in receipt of this report from the Property Manager in which approval was sought to publicly advertise for proposals for the commercial leasing of the Quarry Manager's House.

Concerns were expressed in regard to the apparent haste of this process and the need for the community and this Board to be properly consulted.

It was **agreed** that this matter would be taken up by the Community Advocate on behalf of the Board with the Property Manager.

**Subsequent to the Board meeting the Property Manager has withdrawn this item from any further consideration at this time.**
