

21. RECOGNITION OF RESIDENTIAL PROPERTY OWNERS' GARDENS

Further to the report considered at the 1 March meeting, the Community Advocate reported with suggested ways of recognising residents for their gardening efforts who do not 'win' awards.

The Board **resolved**:

1. That a certificate of appreciation be presented to the occupants of properties where it is identified that considerable effort had been made to establish and maintain a garden that enhanced the streetscape.
2. That a strategy to implement this proposal be considered at a Board Seminar meeting and brought back to a future meeting for approval.
