The purpose of this report is to start the legal procedures necessary to stop a portion of legal road.

The owners of 119 Hawford Road have approached the Council and asked if they can purchase the redundant road widening adjoining the frontage of their property. The proposed road stopping is not shown in the Notified City Plan. As the land is not required for road purposes, the disposal of the unformed portions of Hawford Road was approved in principle by the Council on 17 December 1997.

Negotiations between the Council officers and the adjoining land owners have been satisfactorily concluded subject to a successful road stopping procedure. The City Streets Unit agrees with this proposal. The land is not formed as road but fenced and occupied by the adjoining owners. The plan is tabled.

Prior to sale adoption of the following resolution is necessary to initiate the stopping action:

**RESOLUTION**

Pursuant to the provisions of Sections 319(h) and 342 of the Local Government Act 1974, the Christchurch City Council hereby resolves to stop that portion of road as shown on the plan and described in the Schedule hereto.

**REASON FOR THE ROAD STOPPING**

The Council has received a request from the adjoining owners for the purchase of the land which is no longer required by the Council for road purposes.

**PURPOSE TO WHICH THE STOPPED ROAD WILL BE PUT**

The portion of road when stopped, will be sold to the adjoining owners pursuant to Section 345(1)(a)(i) of the Local Government Act 1974 and amalgamated with their certificate of title pursuant to Section 345(2) of the Local Government Act 1974.

The land is situated alongside and occupied by 119 Hawford Road and is 5.09 m in width.
