1. That it support the draft Statement of Intent Plan put forward by the City Services Subcommittee as a basis for further planning and consultation.
2. That the Board write to the New Brighton District Business Association supporting improvements to the Hawke Street car park.
3. That the Board strongly support the suggested parking changes in Seaview Road (Hardy Street to Shaw Avenue).
4. Its support for the provision of a pedestrian link from Beresford Street into the Mall.
5. That when considering the slow road through New Brighton Mall the Subcommittee address the issues of:
 - (a) Short-term parking, and
 - (b) Loading zones.
