

7. NEW BRIGHTON PIER TERMINAL BUILDING CAR PARK - P30 PARKING RESTRICTIONS

The Area Engineer requested Board endorsement for the installation of a P30 parking restriction in the New Brighton Pier terminal car park at the intersection of Beresford Street. The Board **decided** to recommend to the Parks and Recreation Committee:

1. That the parking of vehicles be restricted to a maximum period of 30 minutes in the New Brighton Pier terminal building car park at the intersection of Beresford Street.
2. That the first two angle parking spaces located at the northern end of the New Brighton Pier terminal building car park at the intersection of Beresford Street be restricted to holders of mobility cards.
