

**22. CONTRACT NO 99/2000-372 - COLOMBO STREET KERB  
REALIGNMENT AT THE BUS INTERCHANGE**

The Committee received a report seeking approval for acceptance of a tender for the realignment of the existing kerb on both sides of Colombo Street at the Arthur Barnett and Ballantynes Street frontage. It also included the construction of bus shelters for the new Bus Interchange and an upgrading of the existing footpath lighting.

The Committee **resolved** that the weighted attribute tender of the Pothole People Limited for the sum of \$312,597.73 be accepted.
