

## 17. CARLYLE STREET BUS STOP

The Board considered a report seeking approval for a new bus stop on the northern side of Carlyle Street to the west of Gasson Street.

The Board **resolved** that a bus stop be created on the northern side of Carlyle Street commencing at a point 72 metres measured in a westerly direction from a point opposite the western kerblines of Gasson Street and extending in a westerly direction for a distance of 18 metres.
