

## 5. DEPUTATIONS BY APPOINTMENT

### 5.6 CANTERBURY VOLUNTEER CENTRE

Mrs Diana Parsons addressed the Board outlining the activities and significance of the Canterbury Volunteer Centre and also made reference to the Centre's hand to mouth struggle for financial survival.

This year the Centre's theme is "Volunteers Need to be Committed". This will be the theme for a forthcoming debate to be held in the Great Hall at the Arts Centre. Next year is to be a United Nations backed "International Year of Volunteers."

The Board **received** the information.
