

18. CONFIRMATION OF REPORT

It was noted that the Minutes of the Board Meeting of 25. 5. 2000 were incorrect regarding the action to be taken over the trees in Jamell Place.

As a result of discussion on this matter the Board **agreed** to amend the minutes to record that the residents of Jamell Place and Denley Gardens be surveyed offering options on the future of the trees in Jamell Place.

The Board **resolved** to confirm the amended report of its meeting of 5 July 2000.
