

8. COMMUNITY HOUSE PROJECT BASED AT COLLINGWOOD HOUSE

A report from the Community Development Adviser updated the Board on the first six months of development of the Collingwood Community House project initiated by the New Brighton Residents' Association. The Board **decided:**

1. That the information be received.
2. That Council Officers continue to identify the benefits gained by the New Brighton community through such a community house project and report back to the Board in six months time.
3. That Council Officers continue to explore leasing and/or purchasing options with the owners of Collingwood House.
4. That Council Officers working on the project to identify all community facilities and hall in the City report back to the Board's meeting on 29 January 2001 on the Burwood/Pegasus facilities.
