

## 16. PARKS CAPITAL WORKS PROGRAMME 2000/01

A report from the Business Support Manager (Projects) outlined progress on Parks capital projects within the Board's area as at 31 October 2000. The Board **decided:**

1. That the information be received.
2. That the \$15,000 provided for Withells Island Reserve play equipment be reallocated to youth/children's facilities in Aranui, as identified in the community consultation process.
3. That consultation on the youth facility in Wainoni Park be formalised.
