

## 15. DEPUTATIONS BY APPOINTMENT

### (a) PARKHOUSE ROAD

Mr Kypros Kotzikas, United Fisheries Ltd, attended and spoke regarding the traffic problems experienced by his own and other businesses in the Parkhouse Road-Treffers Road area, especially at peak traffic times. He indicated this matter had been discussed with Council staff and a possible solution was for the provision of a flush painted median strip in Parkhouse Road to allow for traffic exiting from businesses to merge.

The Committee noted that Transit New Zealand were currently undertaking a study on Curletts Road and the issue of Parkhouse Road traffic would be incorporated as part of this study.

The Committee decided that a flush median be installed by the end of January 2001 and that a report be provided on the Transit study when completed in 2001.
