

29. COMMUNITY WORK SPECIAL PROJECTS – ALLOCATION OF FUNDS

The Board considered a report to support the Te Whare Roimata group with funding for the Community Garden Supervisor position. This support would come from the additional funding provided to Community Boards for community worker positions and set aside by the Board for Community Work Special Projects.

The Board **resolved** to set aside \$12,000 from the Community Work Special Projects fund to support Te Whare Roimata for the Community Garden's supervisor position for the period December 2000 – July 2001.
