

11. CYCLE FACILITIES FOR ARMAGH STREET

The Board considered a report recommending a course of action for progressing the proposed cycle facilities project for Armagh Street.

A brief and informal meeting took place at 3.30pm, 27 November, between the City Services Committee and the Hagley/Ferrymead Board, when discussions took place on the pros and cons for either a dedicated cycle road in Armagh Street or implementing a staged cycle facility.

Brent Ferigo was in attendance at the Board meeting to answer any questions on this proposed cycle facility in Armagh Street.

The Board **decided** to support the Armagh Street cycle lane project as presented.
