

5. DEPUTATIONS BY APPOINTMENT

- 5.1** The Reverend Graham Reddell and Mrs Margaret Cockburn from the Richmond Neighbourhood Cottage, addressed the meeting and provided an update on a series of events that have taken place in an effort to have the community's concerns raised and reported to the government on the proposed building of a Periodic Detention Centre in Richmond.

Mr Reddell expressed dissatisfaction with the lack of progress and outlined the process he had followed in his contact with the Department of Corrections. This included organising a petition, and participating in the Resource Management process through the Environment Committee.
