

9. DRAFT ARTS POLICY AND STRATEGY

The Board considered a report seeking feedback regarding the draft Arts Policy and Strategy. Mary Richardson, author of the report, was in attendance and gave a brief overview of the Draft Arts Strategy and her expectation of receiving feedback from the Hagley/Ferrymead Board.

The Board **resolved** that a working party of interested parties (Linda Rutland, Derek McCullough, Anna Crighton and Bob Todd) meet with Mary Richardson on a date to be decided to provide feedback on behalf of the Board.
