

27. ILLUMINATED MAST ON CAVE ROCK

The Board was asked to consider a grant request towards the cost of installing illuminations on the mast at Cave Rock. A report was received from Area Parks Officer, and a letter advising that while the Shoreline Ministers' Association strongly supported the lighting of the mast they could not underwrite the cost of \$3,000.

The Board **resolved** to provide a grant of up to \$3,000 from the 2000/01 Discretionary Fund, subject to clarification of the ownership of Cave Rock. (It was subsequently confirmed after the Board Meeting that Cave Rock is under the control of the Christchurch City Council).
