

2. **COLOMBO STREET - P120 TIME LIMIT PARKING**

Officer responsible City Streets Manager	Author Lindsay Eagle, Area Engineer, DDI 371-1294
Corporate Plan Output: Signals Signs and Shelters 9.5.94	

The purpose of this report is to seek the Council’s approval for the installation of a P120 Loading Zone in front of the hairdressing salon at 940 Colombo Street which is situated in an old shop building mid-block to the north of Bealey Avenue. This part of Colombo Street is classified a collector road.

The kerbside area in this block to the north of Bealey Avenue is usually full with all-day parking. The owners of the TG Hairdressing salon have requested that a time limit parking zone be created across the frontage of their property to provide a small area with turnover parking. P120 is appropriate as this duration is necessary to process some of their clients.

There is a P30 zone on the opposite side of the road along at the Bealey Avenue intersection that serves the shops and medical centre but this operates at capacity.

As this part of Colombo Street is classified a collector road, the Board’s recommendation will be referred to the Council for resolution.

Recommendation: That the parking of vehicles be restricted to a maximum period of 120 minutes on the eastern side of Colombo Street commencing at a point 107 metres north of the northern kerb with Bealey Avenue and extending in a northerly direction for a distance of 13 metres.
