

6. DEPUTATIONS BY APPOINTMENT

(d) **Inspector Graeme Cairns – Papanui Police**

Graeme reported that a two week long seat belt campaign had just ended. He also advised that residential burglaries had reduced by 40% in the last month, possibly because several known burglars had been jailed. An arrest has been made regarding the whiteware burglaries that were reported at the last meeting. Petrolheads and diesel pourers were coming back into this area, and the new cul de sac at Export Place, McLeans Island was a trouble spot with up to 100 cars arriving at once.
