### (b) **Ron Angel – Street Lighting in Papanui**

Ron Angel, resident of Papanui, spoke to the Board regarding his concerns with the street lighting on Langdons Road and Restell Street, which he believes is inadequate. In the winter, and especially when it rains, it is difficult to see pedestrians and cyclists. As there are a lot of vehicle and pedestrian exits on these roads, Mr Angel requested that the lighting be brought up to the same standard as the Main North Road lighting. The Chairperson advised that the Langdons Road lighting was in the budget for 2002, although Restell Street was not. The Chairperson requested that staff report back to the Board on this matter and advise Mr Angel at that stage.
