

13. ITEMS RECEIVED

The Committee **received** the following reports:

13.1 **Report of the External Legal Services Subcommittee**

This Subcommittee was established earlier in the year to investigate the current practices for providing the Council's external legal services.

The Subcommittee, after reviewing the present arrangements, concluded that although improvements can always be made the current system best suited the interests of the Council for the foreseeable future.

13.2 **Central City Forum and Central City Board Funding**

This report updated the Committee on the schedule of Central City Mayoral Forum meetings, Council seminars and reports to the Council on the Central City Strategy and Concept Plan.

13.3 **Canterbury Development Corporation Limited's Monitoring Report: First Quarter**

The Chief Executive, Canterbury Development Corporation, submitted a report reviewing the CDC's first quarter performance against its key performance indicators.
