

1. **NURSES' CHAPEL**

Officer responsible Legal Services Manager	Author Peter Mitchell, DDI 371-1549
Corporate Plan Output:	

The purpose of this report is to propose a course of action for resolving the outstanding issues relating to the Nurses' Chapel.

At its ordinary meeting on Thursday 23 November 2000 the Council considered a report relating to the proposed Nurses' Chapel land exchange.

The Council resolved that the issue of the Nurses' Chapel land exchange be deferred to allow other options to be explored, and consultation with the other parties involved.

Other parties clearly interested in this issue are Canterbury Health Limited, the Civic Trust and the Nurses' Memorial Chapel Trust.

To facilitate discussions with the parties I recommend that the Council appoint a subcommittee of Councillors from the Parks and Recreation Committee to progress this matter.

Recommendation: That a Nurses' Chapel Subcommittee be appointed by the Council to discuss options relating to the Nurses Chapel with interested parties.
