

5. CORRESPONDENCE

5.1 CROSSING NEW BRIGHTON ROAD NEAR FLEETE STREET

A letter was received from Daphne and Wilf Rogers expressing their appreciation for the Board's funding of inset parking and a pedestrian refuge island on New Brighton Road near Fleete Street. The Board **received** the correspondence and expressed its appreciation at the positive feedback from Mr and Mrs Rogers.

5.2 PROPOSED PERIODIC DETENTION CENTRE

A letter was received from the Office of the Minister of Corrections acknowledging the Board's 2 November 1999 letter concerning the proposed periodic detention centre in Hampshire Street. Since receiving the letter the periodic detention centre proposal had been overturned, with the detention centre now remaining in Pages Road. Therefore the Board **decided** to write to the Minister of Corrections expressing its satisfaction with the decision to retain the periodic detention centre at Pages Road, and not to proceed with the relocation to Hampshire Street.
