

19. SKATEBOARD FACILITIES AND THOMSON PARK UPGRADE

The Community Recreation Adviser, Pegasus, and Parks Planner reported on the proposed upgrade of the skateboard facilities at Thomson Park and provided information on the need for additional skate facilities in the Burwood and Pegasus Wards. The Board **resolved:**

1. To allocate \$8,000 for building a set of portable skateboard ramps from its 1999/2000 Project and Discretionary Fund.
2. That a costing be prepared for some simple street skating features to be installed near the basketball half court area at New Brighton, and for beginner facilities elsewhere.
