

6. STRENGTHENING COMMUNITY ACTION PLANS

Mr Martin Maguire, Community Advocate, Sockburn, advised the Committee of the progress made on the Strengthening Community Action Plans and sought endorsement for the future development of action plans as outlined in the report.

The Committee **decided** the report be received and:

1. That Community Boards be congratulated for including Strengthening Community Action Plans in their on-going activities to strengthen their local communities.
2. That SCAP committees be asked to brief their respective Community Boards on progress with their plans.
3. That it be noted that SCAP plans, and related processes, will be incorporated into respective Community Plans.
4. That the Police be requested to provide a report to the Safer Community Council on ways of resourcing and supporting the Neighbourhood Support Groups central database.
