

10. TE KUPENGA O ARANUI: FUNDING APPLICATION

The Committee considered a report from the Youth Advocate, Robyn Moore, regarding a review of the request for financial assistance from Te Kupenga O Aranui.

Application was to be made for assistance for the period from 1 July 2000 onwards for costs associated with the employment of a youth worker, as part of the 2000/01 budget round. Staff had originally declined the request for help until 30 June 2000, as no guarantee of funding in the new financial year was available.

The Committee **resolved**:

1. That the application be underwritten up to \$15,000, to be paid from the Youth Discretionary/Community Safety Fund, to enable the employment of a youth worker from February to July 2000.
2. That staff continue to assist Te Kupenga O Aranui to source other funding.
3. That it be made clear to Te Kupenga O Aranui that no guarantee of funding exists after 30 June 2000.
