

32. MILLENNIUM PROJECTS

The Community Advocate provided an update on the two earlier projects approved by the Board (Memorial Avenue planting and commemorative clock at Bishopdale) along with a further suggested project involving tree lighting at St James Church in Harewood Road.

In **receiving** the report, the Board **resolved** that subject to another quotation being obtained, the remaining \$5,000 from the Board's millennium funds be allocation to the tree lighting project at St James Church, Harewood.

Note: Keith Nuttall declared an interest and took no part in the consideration of the section of the report regarding the Bishopdale clock tower project.
